Might you be an Aaron or a Hur?

At New Hope Christian Academy, we are thankful for our families and friends who have sustained the school's students, staff, Administration, and Board through prayer, encouragement, and financial support.

We are grateful to God for His guiding principles. We tithe into godly ministries from all of His provision, just as Abraham did (Genesis 14).

We believe for abundance from the Lord of the Harvest, whether we sow finances or the Fruit of the Spirit. By faith, we expect a hundred-fold return (Matt 13 and Mark 10).

Today, we begin a new era as we invite you to consider joining us in ongoing partnership for His mission to His children.

Aaron and **Hur** were key leaders in the Old Testament, recognized by God for their strengths to encourage the leadership engaged in warfare.

Aaron was a priestly man of prayer. **Hur** was from the tribe of Judah, or praise.

Their tangible presence at the side of Moses—even during the heat of conflict—was critical to Joshua winning the battle against the Amalekites (Exodus 17).

Will you prayerfully consider joining us in the battle for our children?
