K3 students are to wear shoes that slip on, but don't fall off easily. They should have clasps or velcro. No shoes that tie are allowed unless the student already knows how to tie their shoes. Also, please send your child in pants or shorts with elastic only if they can not button or snap them on their own. Please do not label school supplies, we will use most items as community not individually.

The mission of New Hope Christian Academy is to partner with parents to train and educate their children for the glory of God. New Hope is pleased to offer Classical Christian Education as a ministry to Christian families in our community and surrounding area. We recognize that a Christ-centered education is essential to the spiritual, academic, and moral development of young people.

New Hope Christian Academy is a non-profit 501(c) 3 Christian Private School that is recognized by the State of Illinois and the Federal Government. We are also a member of the Heartland Christian Conference. Students are taught by certified teachers in the assessment of students development of children with several curriculums such as Classical Conversations, ABeka, Apologia, etc.

NHCA is a private Christian School who serves any and all counties in our surrounding area. NHCA is a discipleship school. All programs have their foundation in Christ and utilize the Word of God as their foundational core.

Character training is an important component of an NHCA education. We believe the heart of character training is in the knowledge of God's Word and the certainty of His Love. Each child is encouraged to develop the gifts and talents given by God, and to pursue the calling that is on his/her life, whatever it is to the ministry, business, homemaking, or any other service. Discipling is a balance of teaching, training, correction and modeling of Christian character, leading each child to a life of obedience to God and His Word.

In 2012, NHCA was born and we currently are housed in with the First Church of God, with whom we have a covenant, without affiliation of their denomination. Our enrollment is currently 56, we grew 47% from 2016. We have qualified staff, numerous volunteers, and a school board from our community who governs the school.

NHCA admits students of any race, color, and national or ethnic origin and grants the same all the rights, privileges, and access to programs and activities generally accorded all students enrolled. It is assumed that each student comes from a Christian family that regularly attends a "Bible-believing church."
